IN A FEW HOURS.

IT IS DAILY BEING PROVED BY THE FOLLOWING TESTIMONIALS.

In ten minutes after taking a dose of this pleasant remedy, the weak and feeble individual feels electrical energy thrilling through every artery of his system, imparting heat and strength to every organ, nerve, and secretory vessel in the body.

SCROFULOUS DISEASES.

This Remedy is warranted to cure Scrofula in its worst form. It acts upon the solids as well as the fluids, removing from the bones, joints, muscles, and nerves, all diseased deposits.

ALL FOUL HUMORS AND UNHEALTHY VIRUS, Glandular Swellings, Ulcers in the Throat, Tumors, Cancer, Nodes, White Swelling, Eczema, and all other skin diseases.

IT CURES FEVER SORES, Salt Rheum, Hacking Dry Cough, Tubercular Consumption, Rickets, and all other diseases of the system.

ITS ACTION is direct, and instantly experienced upon the seat of the disease, whether it be in the bones, muscles, joints, liver, heart, pancreas, kidneys, stomach or bowels, brain, or spinal marrow.

IT ACTS UPON THE SKIN, producing a free and copious discharge of all foul humors secreted in this organ.

THE MOST REPULSIVE SORES AND eruptions are instantly relieved from irritation and quickly removed from the skin.

HOW RADWAY'S RENOVATING RESOLVENT CURES CONSUMPTION.

To cure Consumption one must stop decay and rebuild and heal the worn-out organs of the system that disease has consumed.

It cures every organ in the system, for the Lungs are not the only organs affected. It affects the Liver, the Heart, the Kidneys, Bladder, and Pancreas; and, in fact, every organ in the body is more or less tainted with decomposition and decay.

THE LUNGS ARE THE BREATHING APPARATUS OF THE SYSTEM. When the Lungs are in a state of disease they are unable to receive or emit the necessary amount of air requisite to sustain life. The greater the atmospheric pressure upon the air-cells, the more painful, irritable, and suffocating is the weight upon the lungs.

THE GLANDS become swollen from the irritation and inflammation of the lungs.

ULCERS AND LUMPS IN THE THROAT are formed from unhealthy deposits, which the lungs are unable to eject without the aid of powerful emetics, and the Liver too weak and feeble to act.

PUS becomes deposited in the bronchial tubes; it hardens, and is formed into lumps, which obstruct the passage, and discharge the air-cells.

THE AIR-CELLS are clogged, and the respiratory organs checked, so that breathing is rendered oppressive and exceedingly difficult.

RADWAY'S RENOVATING RESOLVENT WILL ACT AS FOLLOWS:

THE LUNGS will be healed, and removed from them all diseased deposit, cleansing the air-cells from all diseased humors.

REMOVES FROM THE GLANDS inflammation, and rid the Throat from Ulcers, Tumors, Hard Swellings, and other diseased deposits.

TO THE LIVER, it will impart tone and energy.

AND EVERY ORGAN IN THE SYSTEM it will reorganize and cleanse from putrid and unhealthy matter and humors.

IN TEN MINUTES after taking this pleasant remedy the patient feels easier. It immediately allays the irritable cough, loosens the tightness across the chest, and relieves the sharp wrenching pains. Let the afflicted call upon

W. H. GILMAN.

DR. JOHNSON PROCLAIMS TO THE AFFLICTED

That he has discovered the most certain, speedy and efficacious plan of treating

ALL CHRONIC AND SCROFULOUS DISEASES.

that has ever yet been presented to the world. By his plan, founded on observation made in the Hospitals of Europe and America, he will insure

A CURE IN TWO DAYS, OR NO CHARGE.

No Mercurial or Venereal Drugs used.

Weakness, Loss of Organic Powers, Pains in the Loins, Disease of the Kidneys, Affections of the Head, Throat, Nose and Skin, Constitutional Debility, and all those horrid affections arising from a Certain Secret Habit of Youth, that solitary practice, more fatal to its victims than the song of the Sirens to the mariners of Ulysses—blighting their most brilliant hopes and anticipations, rendering Marriage, etc., impossible.

A CURE WARRANTED, OR NO CHARGE.

Young Men especially, who have become the victims of Solitary Vice, that destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have ennobled listening Senates with the thunders of eloquence, or walked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

Office, No. 13 South Frederick street, Baltimore, Maryland, on the left hand side, going from Baltimore street, seven doors from the corner. Be particular in observing the name and number, or you will waste the place.

DR. JOHNSON.

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and a member of the Medical Association of the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by private and improper indulgence, that secret and solitary habit, which ruins both body and mind, unfitting them for either business or society.

PROSPECTUS OF THE

COTTON PLANT,

A SOUTHERN JOURNAL, PUBLISHED WEEKLY, TO ADVOCATE DIRECT TRADE, MANUFACTURES, AGRICULTURE, AND THE WELFARE OF THE SOUTHERN STATES.

BY C. G. BAYLOR,

WASHINGTON, D. C.

THE importance of such a journal as the above needs no exposition. The material and substantial interests of the South have been too long neglected. The "Cotton Plant" is established to promote these interests, and to keep the country entirely aloof from party politics. A complete foreign and domestic correspondence has been arranged. The best talent of the country will contribute to our columns, which will present a digest of general commerce, manufactures, and information for the friends of the measures we advocate. The proper steps have been taken in Europe and America to lay the foundation of a direct foreign trade to the South, and to introduce our coarse manufactures into the continental European market. One object of the "Cotton Plant" will be, as the organ of direct trade, to stimulate the South to carry out this important measure.

We call upon the Southern merchants generally to send us their business cards, that we may lay them before the country, and invite the friends of
